Number of admissions: _____

If yes for Outpatient, Name of Facility: _____

Address: _____

Name of Therapist: _____ Phone#: _____

What type of therapist were they? Psychiatrist Psychologist Social Worker

Other: _____

When did your child see therapist and for what reason:

Medication History:

What medication do you know your child should not take? _____

What medication do you know your child should not stop taking? _____

What herbal remedies is your child currently taking? _____

Please list all medications this child is **currently** on or has taken in the **last year** (prescription and over-the-counter):

Who has been prescribing the medications listed above?

Name: _____

Address: _____

Telephone No.: _____

Current General Health Status:

Please describe your child’s current general health:

Excellent Very Good Good Fair Poor Very Poor

Is your child feeling any physical pain at this time? Yes / No

If yes please explain: _____

Nutritional Screening:

Has your child **gained weight** or **lost weight** in the last 30-60 days? Yes / No

If yes, how much and why?

Do you have any diet or nutritional concerns about your child? Yes / No

If yes, please explain:

Does your child have any food or medication allergies? Yes / No

If yes, please list:

Substance Use:

Does your child use Nicotine? Yes / No

If yes, () Cigarettes/Cigars/Pipe () Chewing tobacco

Amount per day:_____ How long have they used?_____

Any related health Problems?_____

Does your child use Alcohol? Yes / No

If yes, How often do they use?_____ How long have they used?_____

How much do they usually drink?_____

Any related health issues?_____

If any Recovery, Longest length of Sobriety:_____

Does your child use any Illegal Drugs? Yes / No

If yes, What drug (s) do they use?_____

How often do they use?_____

How much do they use?_____

When was the last time they used?_____

Developmental History:

Duration of Pregnancy:_____

Smoking during pregnancy Yes / No

If yes, number of cigarettes daily:_____

Alcohol during pregnancy Yes / No

If yes, amount and type:_____

Drugs during pregnancy Yes / No

If yes, please explain:

Medications during pregnancy Yes / No

If yes, please explain:

Complications during pregnancy? Yes / No

What type?:_____

Delivery

Was the labor and delivery of your child normal? Yes / No

If No, Please explain:

Birth Weight _____lbs. _____

Infant days in the Hospital:_____

APGAR (if known)_____

AGREEMENT FOR PSYCHIATRIC TREATMENT

Patient Name _____ Date of Birth _____
(please print clearly)

Address: _____

Home Phone#: _____ Cell Phone#: _____

The purpose of this agreement is to give you information about the medications you will be taking and to assure that you and your provider complies with all state and federal regulations concerning the prescribing of controlled substances. The provider's goal is for you to have the best quality of life possible given the reality of your clinical condition. The success of treatment depends on mutual trust and honesty in the provider/patient relationship and full agreement and understanding of the risks and benefits.

1. **You should use one** provider to prescribe and monitor your psychiatric medications.
2. You should use **one** pharmacy to obtain all prescriptions and adjunctive analgesics prescribed by your provider.
3. You should inform your provider of all medications you are taking, including herbal remedies, since medications can interact with over-the-counter medications and other prescribed medications.
4. You will be seen on a regular basis and given prescriptions for enough medication to last from appointment to appointment, plus usually two to three days extra. This extra medication is **not** to be used without the explicit permission of the prescribing provider unless an emergency requires your appointment to be deferred one or two days.
5. Prescriptions will be done only during an office visit or during regular office hours. **No** refills of any medications will be done during the evening or on weekends.
6. You must bring back all medications and adjunctive medications prescribed by your provider in the original bottles.
7. If your account is delinquent and payments are not made timely, treatment will be terminated.
8. **You are responsible for keeping your medication in a safe and secure place.** You are expected to protect your medications from loss or theft. Stolen medications should be reported to the police and to your physician immediately. If your medications are lost, misplaced or stolen, your physician may choose not to replace the medications.

Medication:

1. I understand that the medication(s) being prescribed for treatment of symptoms of an emotional disorder. The use of the medication(s) at this time may benefit the conditions for which I/we seek treatment. I understand that there is no guarantee that this medication(s) will be beneficial.
2. I understand that arrangements will be made to monitor response to this medication(s) to assess its effectiveness, and it will be discontinued if it is no longer found to be necessary or effective. It will be prescribed in the dose, which is thought to be effective.
3. I understand that all medication(s) may produce side effects, and some side effects may be serious and permanent. I have received instructions regarding this medication(s) and its common and serious side effects. I understand the importance of reporting side effects and unusual reactions to provider.
4. I understand the use of this medication(s) and was given the opportunity to ask questions pertaining to the medication(s).
5. I have told the provider my medical conditions, current medications and history of reactions to medications to the best of my knowledge.
6. I understand the importance of taking this medication(s) per provider's instructions.
7. I consent voluntarily to the prescription of this medication(s) and understand that I may withdraw this consent without prejudice to further treatment.
8. The provider has discussed alternative treatment options (including no treatment).

I agree with above: _____

**GENERAL CONSENT FOR TREATMENT
(HIPPA)**

I, the undersigned,

1. Voluntarily consent to treatment as recommended and fully explained to me by staff of The PSYCHIATRY & PSYCHOLOGY Center and understand that I am free to withdraw my consent and discontinue treatment at any time.
2. Understand that I have rights as a recipient of counseling services, that I have received a description of my rights, and that I may receive additional information about my rights from the Recipient Rights Advisor identified to me.
3. Understand that the confidentiality of records maintained by The PSYCHIATRY & PSYCHOLOGY Center is protected by 42 CRF Part 2 Federal Regulation. Program staff may not disclose any identifying information to outside sources regarding a client's treatment unless the client gives consent. Program staff may release client information without client consent under the following specific conditions:
 - Client threatens to harm self or others;
 - Suspicion of child abuse or neglect;
 - Medical personnel, to meet a bona fide medical emergency when there is immediate threat;
 - Research activities and program evaluation. Personnel may not identify directly or indirectly any individual patient in any report or otherwise disclose patient identities in any manner.
 - Management and financial audits. Examiner must furnish to the program a written statement that no record will be made of patient identifying information unless notice is provided to the program, and, if necessary, setting forth the specific purpose for which identifying information is being retained, how it is to be retained and the contact person; or
 - Authorized by court order under Sub Part E – Section 2.61 of 42 CFR Part 2.

Violation of the Federal regulation is a crime. Suspected violations may be reports to appropriate authorities in accordance with Federal regulations. Federal regulations do not protect any information about a crime committed by a client either at the program or against any person who works for the program or about any threat to commit such a crime.

4. Acknowledge that any violent or hostile behavior will result in discharge. I understand that possession of a weapon on clinic property is prohibited. I understand that I will be refused a therapy appointment on any day that I come to my appointment intoxicated. I understand and have been advised of additional program policies regarding conditions under which I may be discharged. I further understand that I have the right to appeal this action to the clinical manager within 15 days from which it occurs.
5. Understand I am to follow through to the best of my ability in developing and achieving treatment goals/objectives, as agreed upon by my therapist and myself. I understand that if I fail to follow through on significant parts of my treatment plan, possibly resulting in harm to myself or others, my therapist may choose to refer me to a more appropriate treatment setting.

6. PAYMENT FOR SERVICES AGREEMENT

I understand that I have disclosed all information regarding my health insurance. I further acknowledge the insurance information to be accurate and complete. I accept the responsibility for my fees, co-pays, deductibles, charges in insurance, and for all services rendered to me. I authorize The PSYCHIATRY & PSYCHOLOGY Center to submit billing statements to my insurance carrier(s) for the purpose of receiving reimbursement for services until payment is received for all services provided to me. I further understand that I am responsible for the cost of my treatment, and that I will be billed directly if insurance claims are rejected or denied. Finally, I understand that established appointments are reserved for me, and that I may be subject to the usual and customary charge for late arrival, all appointments missed or canceled without 24 hour notice. **(EXCEPTION – UNDER CMS GUIDELINES MEDICAID RECIPIENTS CANNOT BE CHARGED ANY FEES).** BY SIGNING THIS FORM I ACKNOWLEDGE THAT I HAVE HAD THE OPPORTUNITY TO READ THIS FORM (OR HAVE IT READ TO ME), ASK QUESTIONS AND HAVE THESE QUESTIONS ANSWERED. **ACKNOWLEDGE OF PRIVACY PRACTICES** The PSYCHIATRY & PSYCHOLOGY Center Notice of Privacy Practices provides information about how protected health information About me (the patient) – including information about human immunodeficiency virus (HIV), AIDS-related complex (ARC); and acquired immunodeficiency syndrome (AIDS); and including substance abuse treatment records protected under the regulations in 42 Code of Federal Regulations, part 2, if any, and psychological and social services records, including communications made by me to a social worker or psychologist (if any) – may be used and disclosed. I have been offered an opportunity to review the Notice before signing this consent. I understand that the terms of the Notice that I may change and that I may obtain a revised copy by contacting the privacy officer listed in the Notice. I understand that I have the right to request restrictions on how my protected health information is used or disclosed for treatment, payment or health care operations. My physicians and the facility are not required to agree to this restriction, but if they agree, they will be bound by the agreement. By signing this form, I acknowledge that I have been offered and/or received the PSYCHIATRY & PSYCHOLOGY Center Health Notice of Privacy practices.

WITH MY SIGNATURE I ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE TO THE ABOVE STATEMENTS NUMBERED 1 THROUGH 6, AND THE GENERAL RELEASE OF INFORMATION.

Do you think your current medications are effective: Yes No

If no, please explain: _____

Based on your responses above, would you be interested in learning about a genetic test that can help your healthcare provider select the medications and doses that are best suited to your condition and genetic makeup. Medications that align well with your genes may work better with fewer side effects. The test is a simple cheek swab that takes no more than 10 seconds and can be completed in this office.
